

Chip L 68 Emotion	2700-6500 K
0 cm	 A diagram showing a light cone originating from a small grey rectangle at the top. The cone is defined by dashed lines and has a 45-degree angle. A vertical line with a dot at the top represents the center of the cone. The cone is shaded yellow. A label '45°' with a line pointing to the angle is located to the right of the cone.
