

Bali Emotion (L = 500 mm)	2700-6500 K
The diagram shows a yellow light pyramid. A vertical line runs down the center, with dots at the 0 cm, 30 cm, 50 cm, and 100 cm height markers. A horizontal line is drawn at the 30 cm height. A dashed line forms the right side of the pyramid. An arc indicates a 70-degree angle between the vertical centerline and the dashed side line at the top.	
30 cm	1580-1650 lx
50 cm	845-935 lx
100 cm	335-365 lx
