

LED RGB Band (L=500 mm)		RGB
0 cm	 A diagram showing a light cone originating from a point at the top. The cone is defined by two dashed lines forming a 120-degree angle, indicated by an arc and the label '120°'. The interior of the cone is shaded yellow. A vertical line bisects the cone. Horizontal lines are drawn at 30 cm, 50 cm, and 100 cm from the source point, intersecting the cone's edges. The area within the cone is divided into four horizontal sections by these lines.	
30 cm		353 lx
50 cm		151 lx
100 cm		48 lx
