

MLD 58 Emotion 58	2700-6500 K
 The diagram shows a yellow cone representing the light beam. A vertical line with dots at each height marker (0, 30, 50, 100 cm) divides the cone. A horizontal line at the 30 cm mark indicates a 60-degree angle from the vertical axis. The cone's edges are dashed lines extending to the 100 cm mark.	
30 cm	2010-2251 lx
50 cm	973-1010 lx
100 cm	206-251 lx
