

LED Band Tudo (L = 500 mm)		2700 K	3000 K	4000 K	6200 K
 The diagram illustrates a yellow conical beam of light originating from a small grey LED fixture at the top. A vertical line bisects the beam, and a horizontal line at 30 cm from the fixture intersects it. The beam's angle is marked as 120°. Measurement points are indicated at 0 cm, 30 cm, 50 cm, and 100 cm along the vertical axis.					
0 cm					
30 cm		1203 lx	1235 lx	1133 lx	1282 lx
50 cm		522 lx	533 lx	490 lx	553 lx
100 cm		157 lx	167 lx	155 lx	173 lx
